Notification D. No. 72, *dated* 18*th January* 1917.

For some time past there have been complaints regarding the frequent changes of text-books used in the Primary and Middle Schools of the State. On enquiry it has been found that the complaint is, to a certain extent, due to the use of unauthorised books as texts in some of the Primary and Middle Schools. The Head Masters and the Head Mistresses of the several institutions concerned are strictly informed that no books other than those notified in the latest list of approved text-books issued by the Department, should be used as text-books without the previous permission of the Inspector-General.

The District Inspectors and Assistant District Inspectors of Schools are requested to see that the above instructions are strictly adhered to in all the schools under their control, and to report all cases of departures from the list for notice being taken of the conduct of the teachers concerned.

M. SHAMA RAO,
Inspector-General of Education.
